There are few things better than gathering with friends and cooking outside over an open flame. When the barbecue is blazing there's no cooler place to be than under a Stetson. For Spring/Summer 2019 Stetson has invited DJ BBQ and his BBQ Zoo Crew to set the mood for a new collection centered around good times, good food, and summer fun.

Every backyard BBQ chef has his own way of doing things, his own flavor, and his own unique style. This season Stetson is serving up something special for every taste. Sport a classic look in straws made of fine raffia braids, hemp, and panama. Add a dash of Texas swagger with a big, wide-brimmed, woven palm. Play it cool in a sweet range of light-weight linen caps, or push up your sleeves and get down to business in heritage workwear or trucker styles. Whatever your taste, there's a Stetson hat or cap ready to spice up your look.
